

CROWN PAVILIONS

The World's Finest
Luxury Gazebos™

For year-round alfresco dining,
lounging and entertaining

The marque of excellence

Welcome

Imagine a space where you can escape from the pressures of life, a beautiful outdoor space where you can unwind and enjoy a drink at the end of a busy day – a gloriously indulgent space that you can truly make your own.

Imagine a space, in the very heart of your garden, where you can entertain friends, serve sumptuous suppers and party long into the night. Or, if you prefer the quieter life, a blissful space where you can relax over breakfast, laze away a summer's afternoon or simply sit back and enjoy a good book.

Why Crown

When it's something as special as your own personal haven, you want to be certain that your gazebo won't simply look stunning in the spring, summer and autumn months, but that it will also cope with our British winters, enabling year-round use.

Crown Pavilions is the market leader for the simple reason that we over-deliver on quality and service, at every stage of the design and build, so you take possession of the very best money can buy. The Crown Marque of Excellence also ensures that your new gazebo will remain the smart focal point of your garden, year after year, a source of pride when it comes to welcoming guests into your home and where even the fixtures and fittings go way over and above the industry standards in terms of quality and longevity. 🏰

“the best that money can buy...”

After looking at numerous Garden Room and luxury wooden gazebo manufacturers on the market we decided to go with Crown Pavilions as their buildings are undoubtedly the best that money can buy and the service level was exceptional.

They exceeded our expectations at every stage. If you are looking for the best garden buildings on the market, then Crown Pavilions is the company to hire!

Showrooms

This brochure showcases our beautiful gazebo and hybrid collections but of course there is never any substitute for seeing our garden buildings in person: to feel the comfort of the cushions, take in the natural scent of the timber, run your hand along the smooth contours of the carpentry and appreciate the quality of our craftsmanship first-hand.

A selection of the buildings in this brochure can be viewed in our showrooms along with a selection of our other most popular garden rooms and accessories.

Experienced staff will also be on hand to answer any questions and talk about our designs in more detail ☺
